NOTICE OF CLEARANCE

Rule 5E-14.113(2), F.A.C.

FUMIGATED STRUCTURE OR ENCLOSED SPACE

Address: 2207 Northeast 19th Street

City, State, ZIP: Fort Lauderdale, FL 33305

EXACT DATE AND HOUR OF RELEASE FOR REENTRY

Date 10/15/2026 **Hour** 8:40

- [x] AM
- [ ] PM

I have personally checked the breathing zone of each room within the fumigated structure for fumigant levels with a permissible clearance device and found the structure to be safe for human entry and occupancy.

As a result of my final personal inspection and monitoring examination of the entire structure or space fumigated, I personally certify by my own signature that the same and adjacent vacated structures are safe for human entry, occupancy.

Fumigant (brand name)	Clearance device model	Serial number
Vikane	Spectros SF-ExplorIR Plus	SXP-24187
