PRETREATMENT TAG

Treatment

☐ Pretreatment, R3-8-308(D) ☐ New-construction treatment, R3-8-308(E)

a. Name of business licensee		**d. License number of business licensee**
b. Address of business licensee		**c. Telephone number of business licensee**
e. Location or address of project		**Builder or contractor**
f. Date of pretreatment application	**g. Time that application was started (not time that applicator arrived at the site)**	**h. Time that application ended (not time that applicator left the site)**
i. Trade name of pesticide used	**EPA Reg. No.**	**j. Percentage of active ingredient in the pesticide used**
k. Number of gallons of chemical preparation applied or number of termite bait stations installed		
l. Square footage of area treated	**m. Linear footage of area treated**	**n. Type of slab construction**
o. Name of applicator	**p. Certification number of applicator or, if not certified, the name and certification number of the applicator providing immediate supervision**	

Markings

☐ **TREATMENT IN-COMPLETE**, R3-8-308(D)(7) ☐ **DUPLICATE**, R3-8-308(D)(8)

FINAL GRADE TREATMENT RECORD

Final grade treatment ☐ Termiticide ☐ Termite baiting system		**Date of final grade treatment**
a. Name of business licensee		**d. License number of business licensee**
b. Address of business licensee		**c. Telephone number of business licensee**
e. Location or address of project		**Builder or contractor**
f. Date of pretreatment application	**g. Time that application was started (not time that applicator arrived at the site)**	**h. Time that application ended (not time that applicator left the site)**
i. Trade name of pesticide used	**EPA Reg. No.**	**j. Percentage of active ingredient in the pesticide used**
k. Number of gallons of chemical preparation applied or number of termite bait stations installed		**m. Linear footage of area treated**
o. Name of applicator	**p. Certification number of applicator or, if not certified, the name and certification number of the applicator providing immediate supervision**	
Record of the final grade treatment left ☐ In an unlocked electrical or circuit-breaker box ☐ Conspicuously posted ☐ With the property agent		

R3-8-308(F)(1): The final grade treatment must occur after all grading and other construction-related soil disturbance is complete, but within 18 months of the original pretreatment or new construction treatment.

R3-8-308(F)(1): All termite baiting system applications shall be monitored following label instructions for a minimum period of three years (from the initial date of the pretreatment) at no additional cost to the property owner when installed as a final grade.
