HRS 460J-19(c): "A licensee is not required to issue a report as outlined in paragraphs (1) to (6) after each control service inspection. If after control service inspection, no modification of the original written inspection report is made in writing, then it will be assumed that conditions are as originally reported."

HAR 16-94-72(b): "The pest control operator shall keep the original inspection report and any subsequent control service reports for a period of not less than two years after completion of the control service agreement. The records shall be made available to a representative of the board during normal state business hours."
