NOTICE OF FUMIGATION

To all affected occupants of the building to be fumigated

South Carolina
IFC 2603.3 and the Vikane label

IFC 2603.3: Written notice of any fumigation or insecticidal fogging operation shall be given to all affected occupants of the building, structure or space in which such operations are to be conducted with sufficient advance notice to allow the occupants to evacuate the building, structure or space. Such notice shall inform the occupants as to the purposes, anticipated duration and hazards associated with the fumigation or insecticidal fogging operation.

1. Building and occupants

Address of the building to be fumigated	County
906 Bay Street, Beaufort, SC 29902	Beaufort
Occupant(s) notified	**Unit(s)**
Marian Legare	Whole house, one unit

☐ **More than one unit** **Vikane label:** When fumigating a single unit/room within or connected to a larger structure (such as town houses, apartments, condominiums), all units of the entire structure must be vacated during the fumigation and aeration periods.

2. Purpose and anticipated duration

Purpose: target pest(s)	Fumigant (brand name) and EPA Reg. No.	Warning agent	Exposure (hours)

Everyone out by (date and time)	**Fumigant released (date and time)**	**Earliest re-entry, once cleared (date and time)**	
10/13/2026, 8:00 a.m.	10/13/2026, 1:15 p.m.	10/16/2026, about 10:00 a.m.	

3. Hazards and precautions

Vikane label: Extremely Hazardous Liquid And Vapor Under Pressure • Fatal If Inhaled • May Be Fatal If Swallowed • Liquid May Cause Freeze Burns of Exposed Skin
Vikane® specialty gas fumigant is odorless. Exposure to toxic levels may occur without warning or detection by the user.

1. Take out all people, pets, other animals, and plants you want to keep.
2. Take out food, medicine, and tobacco not factory sealed in plastic, glass, or metal, fridge and freezer too, or double bag them in Nylofume bags.
3. Open the seal on any mattress or pillow in a waterproof cover, or take it out.
4. Leave us a key, and tell us about any pipe or duct shared with a building next door.
5. Let nearby neighbors know the fumigation date.
6. Stay out until every room tests 1 ppm or less and the warning signs come down.

4. Fumigation company

Company	SC business license No.	24-hour phone	
Coastal Carolina Fumigation	5390	(843) 555-0158	
Address	**Category 7B applicator in charge**		**License No.**
