Work marked Decline is not done. The letter of work completed will list it as not completed.

☐ A live infestation exists, so no written inspection report is required before this work. Where _____

Hawaii law

HRS 460J-19(b): "No licensee shall commence work on a contract for the control of termites until an inspection has been made and a written inspection report and a written estimate have been approved by the person requesting the work; provided that no written inspection report shall be required in the event that a live infestation exists."

HRS 460J-20: "Such documents shall indicate specifically whether all of the recommended work as set forth in the inspection report was completed, or, if not, it shall indicate specifically which recommendations were not completed."

HRS 460J-15(a)(1) and (4), grounds for discipline: "Departure from, or disregard of, plans or specifications in the performance of pest control work in any material respect, without consent of the owner or the owner's authorized representative" and "Failure on the part of a licensee to complete any operation for the price stated in the contract or in any agreed upon modification to the contract"

Approval

I am the person requesting the work. I approve the work marked Approve above, for the prices shown, and I have received the Termite Inspection Report (PC-9) it refers to.
