Give notice by: _____

10 Terms

Each visit. The technician inspects, treats the areas checked in section 2 for the pests checked in section 1, and leaves a service record listing each pesticide applied.

Pesticide information. The customer gets the information in section 9 now and again each time a pesticide is applied (Agric. § 5-208(a)).

Re-service. If covered pests come back between regular visits, the company returns at the re-service price in section 7.

Records. The company keeps a record of each pesticide application for 2 years (COMAR 15.05.01.12).

11 Signatures

By signing, the customer accepts this service agreement and confirms receiving the information in section 9 and the attached label pages.
