NOTICE OF FUMIGATION

To all occupants of the building

Nevada
2018 IFC 2603.3 (NAC 477.281)

IFC 2603.3 Written notice goes to “all affected occupants” with “sufficient advance notice to allow the occupants to evacuate.” It covers “the purposes, anticipated duration and hazards” of the fumigation.

Building to be fumigated: 845 Hill Street, Reno, NV 89501 (Washoe County)

Occupancy: Single-family home | Adult occupant: Eleanor Vasquez-Hart | Phone: (775) 555-0129

Fumigation company: Sierra Fumigation Services | NDA business license No.: 6873

Company address: 4790 Longley Lane, Unit 3, Reno, NV 89502 | 24-hour phone: (775) 555-0158

Operator in charge: Ruben Castañeda | NDA license No.: 502058 (C4)

Purpose (pest to be controlled): Powderpost beetles (Anobiidae), in the basement joists and attic rafters

Fumigant: Vikane (sulfuryl fluoride 99.8%) | EPA Reg. No.: 1015-78 | Warning agent: Chloropicrin

Everyone out by: 10/19/2026, 7:30 a.m. | Fumigation begins: 10/19/2026, 11:15 a.m. | Expected re-entry: 10/21/2026, 10:00 a.m.

Hazards

1. Vikane is fatal if inhaled. It has no smell, so you can’t tell it’s there.
2. Chloropicrin stings the eyes and throat. If you notice that after re-entry, leave and call us.

What the rules require

IFC 2603.3.4 Everyone, “except the personnel conducting the fumigation,” leaves before the fumigation starts.

IFC 2603.3.1 Leave “not less than 1 hour before the operation begins,” and stay out “until the danger signs have been removed by the proper authorities.”

Vikane label Only a certified applicator may authorize removal of placards, and only when the concentration of Vikane within the structure where individuals typically stand, sit or lie down, is 1 ppm or less.

Before you leave

1. Take out all people, pets, and house plants. Stay out until we clear the house.
2. Remove or double bag in our Nylofume bags any food, medicine, or tobacco not factory sealed.
3. Open the seal on any mattress or pillow in a waterproof cover, or take it out.
4. Turn off the gas furnace, water heater pilot, and gas fireplace. Unplug space heaters.
5. Open interior doors, closets, cabinets, drawers, and the washer, dryer, and oven.
6. Leave us a key, and tell us about any pipe or duct shared with the garage.

Fact Sheet for Vikane

Vikane label After the parties enter into a fumigation contract, the Fact Sheet for Vikane must be provided to an adult occupant of the structure to be fumigated or of each currently occupied unit in multi-unit structures.

☑ Fact Sheet given to an adult occupant | Date given: 10/13/2026

Delivery of this notice

☑ Handed to the occupant ☐ Left at the door ☐ Mailed or e-mailed | Date: 10/13/2026 | Time: 3:20 p.m.
